Form Instructions:

1. Review user types and item access information below.
2. Complete the "Users" tab.
3. Submit the form.

User Type: determines what actions someone can take on an agenda

Standard – Users can add items and edit items they have access to.

Approver – Users can do the same as above but also approve items assigned to them.

Agenda Manager – Highest level access, these users can create, manage, and publish agendas.

Board – Board members only, these accounts can only access the board portal.

***Users will be imported into the system with access to all agendas and their items only. You will be responsible for changing these access levels if needed.** Below are recommendations for Item Access.

All – Typically only agenda managers and approvers like your city manager or attorney who look at items from all departments.

My Items – Good for standard users who may add items from multiple departments or do not collaborate with others on items.

My Department – Good for approvers and standard users who collaborate on items from their department.

Specify Departments – Good for users who add items to multiple departments AND collaborate with staff from each. List all departments needed.

Agenda & Meeting Management Staff List

Please complete one line for each user who needs access to the system. User profiles can be modified at any time in the future.

Examples included in blue. Please contact us if you need any assistance completing this form.
